

Earn up to
\$50
per unit*
for promoting energy
efficient equipment
Offer extended to
December 31, 2018

It pays to promote your energy efficient products.

As a leader in energy efficiency, Enbridge encourages its customers to choose the most energy efficient equipment available for their business. That's why, until December 31st, we're offering you \$50 per unit for promoting energy efficient products to your customers.*

In addition, financial incentives are also available for customers to offset the purchase of their energy efficient equipment.

To find out more, contact your Enbridge Energy Solutions Consultant today at 1-866-844-9994 or email at energyservices@enbridge.com
